Athletes Set Records; Teams Win 2nd & 3rd

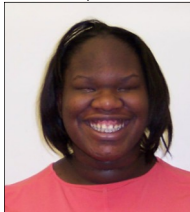

Two MSB athletes, Brittany Davis and David Brown, set NCASB records and the girls and boys track teams placed second and third, respectively, at the conference track meet held Oct. 9-11 at the Ohio School for the Blind.

Brittany set a new NCASB

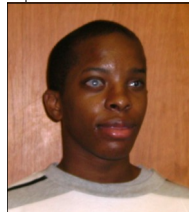

conference Class A record in girls shotput, with a toss of 20 ft. 2 inches.

David's jump of 29 ft. 2 inches in the Class A 3-con jump was also a

new conference record, and he came within 1/2 inch of setting another record - this one in the long jump.

Brittany Davis

David Brown

The MSB girls team placed second among the eight teams, scoring 162 points.

They were bested only by the Arkansas girls, who scored 184 points.

The MSB boys scored 131 points, coming in behind Arkansas (195)

and Indiana (179).

Individual female medal winners were: **Brittany Davis**, 1st shotput, 3rd 60m dash, 3rd triple jump; **Amanda Drake**, 1st shot put, 1st 600m run, 2nd triple jump, 3rd girls tandem; **Tabitha Jenkins**, 1st triple jump, 1st 3 con, 1st high jump, 1st 60m dash; **Carolyn McGhee**, 1st long jump, 2nd 3 con, 2nd 600m run, 2nd 60m dash; **Kathryn Hurd**, 3rd 600m run, 3rd girls tandem; **Torey Pingel**, 2nd triple jump, 3rd coed tandem.

Individual male medal winners were:

David Brown, 1st long jump, 1st 3 con, 1st 60m dash, 1st triple jump; **Trevon Graves**, 1st shotput, 1st long jump, 2nd 60m dash, 1st high jump; **Ellaun Williams**, 1st triple jump, 2nd 3 con, 2nd 600m run, 3rd 60m dash; **Michael Babusa**, 3rd coed tandem.

Congratulations!

Wrestling & Cheerleading Meet at Indiana	December 4-6
Junior Beta State Convention, Poplar Bluff	December 4-5
Christmas Extravaganza	December 17

20 Years in Space!

Six MSB students helped the Space Camp for Interested Visually Impaired Students (SCIVIS) at the U.S. Rocket and Space Center, Huntsville, AL, celebrate its 20th year this September.

The MSB students were accompanied by Tim Cobb and Kerrie Townsend and participated in three programs: Tyler Boykin joined the Aviation Challenge MACH III program on the Black Lions team; Amanda Drake, Kathryn Hurd, Tabitha Jenkins and Amber Lacey were on the Calypso team at the Space Academy, and

Ellaun Williams was part of the Advanced Academy program on the Von T. team.

Tyler won the Right Stuff Award, which is presented to the student who displays outstanding leadership skills, excellent attitude and does whatever is needed to help the team succeed.

The students trained for shuttle missions and got to ride four simulators, including one which simulates walking on the moon and the moon's gravitational pull. They also

used the Multi Axis Trainer, which spins in all axes while maintaining the original center of gravity.

In the Aviation Challenge program students learned from military aviators and flew simulated fighter planes. They also learned sur-

vival and escape skills and to rely on each other to overcome challenges. The latter included climbing an 80 foot wall and ziplining to the ground and climbing a 30 foot pole and being belayed to safety by their teammates.

NOVEMBER BIRTHDAYS

NOV. 3	CARLA HOWARD-OWENS
NOV. 7	PAT CROWDER
NOV. 8	JENNIE MASCHECK
NOV. 13	CINDY FLYNN
NOV. 20	GINNY WILLIAMS
NOV. 21	JOY WADDELL
NOV. 23	DWAYNE BLAKLEY
NOV. 24	RICKEY PHELPS
NOV. 27	BARBARA HEMENWAY

HAVE A GREAT DAY!

It looks like an ordinary cell phone - but it's not! MSB teacher Patti Schonlau demonstrates the scanner feature on her new Nokia phone. The scanner reads any document one page at a time. Schonlau is part of a one-year trial program of the phone, currently available only in Europe.
